## Who is the God of the Hebrews?

Exodus 2:23 - 3:15 (page 46)

**Introduction:** Lest we forget

1. A God who **remembers** (2:23-25)

2. A God who **reveals** (3:1-6)

3. A God who **rescues** (3:7-10)

**Application:** Don't forget who God is!

**Questions for discussion:** (existing small group leaders please lead the discussion)

1. Do you ever find yourself forgetting what God is like? When/why? What are the dangers of forgetting what he is like? What can this lead to?
2. A God who **remembers** - how is it comforting to be reminded that God remembers his promises to his people? How can knowing this help us to persevere as Christians?
3. A God who **reveals** - do you ever see people around you guessing what God is like? Why is it encouraging that he reveals himself to us, so that we can get to know him?
4. A God who **rescues** - why is it helpful to be reminded that God is a rescuer? How might it challenge us, in terms of how we think of him and how we reflect him?
5. What can we do (i) individually and (ii) corporately to help one another to keep remembering who God is, and what he is like?

**Take some time to pray**
