1. Jesus' claims are unique

"I do believe that all paths lead to God. It's a shame that we end up having religious wars, because so many of the messages are the same" (Madonna)

Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me. (John 14:6)

2. Everyone is making an exclusive truth claim

"There are millions of ways to be a human being and many paths to what you call 'God'...there couldn't possibly be just one way" (Oprah Winfrey)

3. Which truth should we follow? Jesus is the only truth

Discussion questions:

What is your 'exclusive truth claim' – your take on spiritual reality?

Are you sufficiently sure about your exclusive truth claim that you would die for it?
