Introduction: Failure = something to be managed, minimised or avoided

1. Peter's failure (v15-18, 25-27)

2. Jesus' innocence (v19-24)

3. One man must die for the people (v14)

Application: Are your failures forgiven?

Questions for discussion:

Why does John recall Caiaphas's words in v14, and what do they reveal about the cross?

Why was the cross necessary?

Why is it good news that our confidence must lie in Jesus and not ourselves?
